IMPORTANT OPERATIONAL CHANGES TO THE PROGRAM

Anything set out for the clean-up must be bagged, boxed or bundled. Volunteers will not pick up scattered household trash. The purpose of the clean-up is to pick up large items that are costly to dispose of.

Household trash should be picked up as a part of your regular trash service; and therefore will not be collected.

No trash carts will be emptied. Trash carts are part of residents' regular trash service and will not be emptied as a part of the neighborhood clean-up.

All tree waste and brush **MUST BE BUNDLED** if being picked up by a packer. Bundles need to be tied/secured and should be no more than 4 feet long and no more than 12 inches in diameter. Tree waste that is hauled to skids does not have to be bundled. Large tree trunks and over-sized logs will not be picked up. These items will be left behind if not bundled properly and will be the property owner's responsibility to remove.

If City staff is made aware of any resident who charges another party to leave items on their property for the clean-up, the items at that location will not be picked up and it will be up to the resident living there to dispose of them.

Any resident who sets items out after the noted time on the flyer is at risk of not having the items picked up. The truck drivers and volunteers will only visit a property once.

Public Works staff will not go to a neighborhood and pick up items the week after a neighborhood clean-up. It will be the property owner's responsibility to dispose of the items.

All tires must be piled separately, not at the bottom of a large pile of other loose trash.

No **CONCRETE** will be picked up or dropped off

Do not accept tires from a business or commercial entity!

No **HAZARDOUS** materials such as paint, pesticides, appliances with Freon, etc., will be picked up or dropped off

REMEMBER – BOXED, BAGGED OR BUNDLED!
